Coffee Cup

Tormach Coffee Cup

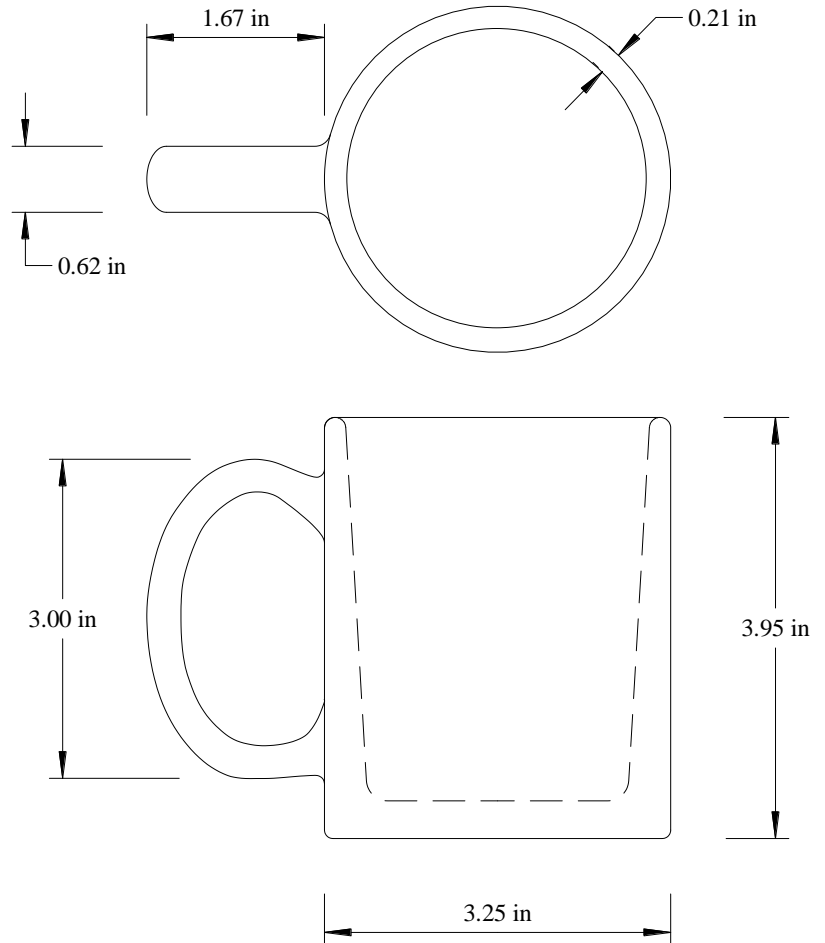

PN: 30525

The Tormach coffee cup is a general purpose drinking vessel and can serve multiple uses, however the intended use is for coffee.

Coffee has been the patriotic drink of choice since the Boston Tea Party of 1773. Whether you're celebrating personal independence in your own workshop, or simply following the corporate safety policy ("Don't operate machinery while drowsy"), part number 30525 and a bit of java make a great combination while planning out your next project.

Our idea for a good cup of coffee is the same as Talleyrand, the 18th century French diplomat, who recommended that coffee be:

*"Black as the devil, hot as hell,
pure as an angel, sweet as love."*

Material: Ceramic
Finish: Glazed
Color: White w/ Tormach Logo
Volume: 11 fl oz (325 mL)
Weight: 13.4 oz (381 gr)
Operating Temperature: -40 F to +212 F (-40 C to 100 C)
Storage Temperature: -60 F to 450 F (-51 C to 230 C)
Humidity: 0 to 100% condensing
Shock: 50-150 Gs/ms (6 inch drop)
