### Background:

Christian Groves

I thought you may be interested in a novel use of one of Tormach's products. After un-crating the Tormach I had the problem of what to do with a couple of large plywood boxes. Around the time my 3 year old daughter had been nagging about a "cubby house". Then the solution to both problems hit me..... see attached photos :-).

So Tormach can make parents and children happy!

Have a good Easter.  
Regards, Christian
